Community Health Policy

As an organization committed to increasing access to the arts, The Current remains deeply committed to ensuring the health and safety of our visitors, staff, students, and neighbors. To ensure that our programming remains inclusive for all community members regardless of age, vaccine status, or immunocompromised status, **we strongly encourage all visitors, students, and artists over the age of 2 to wear a CDC-approved mask when inside The Current.**

We trust that our community members will continue to monitor themselves for symptoms and will stay home if they or anyone in their household has tested positive for COVID-19, is awaiting a COVID-19 test result, or is experiencing COVID-19 symptoms. We also encourage visitors to watch for future updates in the event that this policy changes.
